

Wedding Venue Descriptions

The Terrace Ballroom and Patio

Our Terrace Ballroom is located on the terrace level of the main historic building just off the stone foyer. The beautiful ballroom has all wood floors and a built in stage. This unique attribute gives a larger dance floor and a uniqueness to the elegant décor. When booking the Terrace Ballroom you will have access to the outside stone patio and cascading stone steps leading to a beautiful grass area. Just the right spot for some fresh air or an outdoor cocktail party. The Terrace Ballroom can accommodate up to 180 guests for a Wedding reception.

The Horizon Ballroom

The Horizon Ballroom is located on the lobby level and near several entrances to the main historic building. With its impeccable window treatments, baby grand piano, sophisticated décor and incredible view of the horizon that goes on for miles, this is the perfect venue for a reception or ceremony! Weddings in Horizon can accommodate up to 150 guests.

Main Dining Room

Upon entering the Main Dining Room, the massive stone fireplace and long rectangular built in dance floor the length of the room are the focal points and give this room the character and history of the 1902 building. The room is surrounded by windows and overlooks the beautiful Mountainside Patio. The Candlelight and the Alcove are two attached smaller rooms that can accompany the Main Dining Room for additional space, such as a private lounge –like bar area. We can accommodate up to 300 guests for a Wedding Reception.

Marmadukes

With its magnificent built in wood bar, endless French doors, an array of deep leather chairs and cocktail tables, this room is used most often for cocktail parties and smaller Weddings. This is where the procession to the Mountainside Patio starts and therefore, after the ceremony your guests walk right into cocktails. What could be more perfect?

Fireside

Fireside is our version of a Barn or Carriage House Wedding. The fireside building which is located directly across from the main historic building and adjacent to the outdoor pool area is a unique stone and wood building with cathedral ceilings. This room is perfect for a more casual Wedding, yet it is distinctive with its huge stone fireplace and storybook windows. In front of Fireside is an outdoor patio and our ever popular fire pit adding to the relaxed atmosphere. Fireside can accommodate 110 guests.

Manor Hall

Upstairs from Fireside is Manor Hall, the property's original Quaker meeting room with High ceilings and its own private entrance or the staircase that leads to Fireside. Manor Hall and Fireside work well together for an unforgettable Wedding experience. Manor Hall can accommodate 140 guests for a Wedding reception.

Mountainside Patio

Mountainside Patio is just that, a large patio with a built in pergola for the ceremony. It overlooks the Pocono Mountains and beautiful back of the main historic building. With its cobblestone processional steps, beautiful landscape and fencing, this is the ideal location for your ceremony. We can hold up to 250 guests for a ceremony at this location. It is also perfect for an outdoor cocktail party or reception.

Baily's Landing

Baily's Landing is ideal for a ceremony when having your reception at Fireside and Manor Hall. It is perched high on a hill overlooking the beautiful mountains and horizon. Baily's Landing also has a

built in Pergola and beautiful outdoor lighting on the long stone staircase, making this a romantic ceremony location. Baily's Landing can also accommodate 250 for a ceremony.
